

Blessed Trinity Birthday Book Club

The Blessed Trinity School Library would like to invite all families to commemorate your child's birthday with a dedication book to the library. In making a donation to the library, you may have our library staff purchase a book of your choice from a local bookstore. The suggested donation for books is \$18.00 for a hardcover book and \$6.00 for paperback books. The books will then be prepared for circulation containing a special nameplate with the birthday child's name and date. Their donation will be announced during morning announcements. Also, he/she will have the first chance to check-out the book. This can be done near the child's birthday or at any time during the year.

Name _____ Class _____

Birthdate _____

Name of Book or Amount Donated _____
